

Stewardship 2018—Journey to Generosity

Budgets can be baffling documents! To make the information clearer, we've divided the church's budget into five areas, as you see below. These areas include salaries and building expenses, in addition to the usual budget line items.

Now let's look at the sources of our income. As you can see, it's mostly from pledges.

On your Journey to Generosity, remember Jesus' words from Matthew 6:21, ***"For where your treasure is, there your heart will be also."*** Please keep this verse in your heart as you prepare your 2018 Pledge Card for the in-gathering next Sunday.
